Principal's Pen

Tēnā koutou,

Welcome to our Week 3 NewsSheet. I think the long autumn weather is slowly disappearing as the days get shorter and the sunlight less intense. We have been so lucky with the weather we have had. Time now to prepare for winter weather coming soon so we appreciate your help to make sure your children are coming to school with suitable clothing for cooler/wet weather.

Some good news on the caretaker front. I am happy to say we have found a new caretaker for our school. Our new caretaker will be starting with us on Monday 30 May and we are very much looking forward to him joining our team.

While covid is still present in our school community, the rate is very low compared to last term. Please stay alert to any signs of your children being unwell and keep them at home if they are unwell. Predictions are for a bumper flu season this year, and as you may know there mortality rate in a flu epidemic is worthy of us all exercising some caution and taking any precautions that we can. Other than vaccination, mask wearing and good personal hygiene are still two of the best ways to protect yourself and your children from covid and the flu.

Thank you to families for purchasing books from the book fair display to donate to our school. Your children benefit from new books and your support is much appreciated.

Stay safe and keep well.

Kind regards

Andy Brown - Principal
