

# Ordering your stationery for 2024

Through KINDO, our online school shop we have again partnered with EEL (Educational Essentials Ltd) to make stationery shopping easy. We have used this system for the last few years and it takes the hassle out of what can be a time consuming process. Click [Links](#) on the school App to go straight to KINDO or on the school website go to information/stationery. We recommend you order early to ensure your child/children have all their stationery requirements ready to go for the start of Term 1. Any packs ordered after 22nd of January will incur an additional 5% charge. All you need to know is your child's team and room number for 2024. This year they will also be colour coded to help with ordering. They deliver the stationery in a named box to school which will be distributed to your child's class. Save time, avoid queues, and purchase any time from the comfort of your home. Education Essentials offer good competitive back to school prices, which will be hard to beat.

**The system will open for ordering on the 19th of December.**

## Ordering stationery through Kindo: how it works

Families can use Kindo to order & pay the same way as usual

1. Log in to myKindo.co.nz (or open the app).
2. Select 'Stationery'.
3. Click on the pack required for each student
4. Click to pay the school costs (optional).
5. Pay as normal – using Kindo balance, bank transfer or card. We also offer WINZ support.

The screenshot shows a web interface for stationery. At the top left is the word "Stationery" in blue. At the top right is a small logo. Below the title, there is a search bar with the text "Search for an item" and a magnifying glass icon. To the right of the search bar are two links: "Sort by" and "Filter by". Below these are four product cards, each with a shopping cart icon containing stationery items. The cards are:
