Principal's Pen

Kia ora koutou Parents,

Welcome to Week 2. We hope you all had a nice break with your family and whānau. The weather wasn't much to write home again with only a smattering of nice days to get out and about.

This week we have Parent Learning Conversations Wednesday and Thursday. There are still many unallocated spaces so please go into Hero and look for the school bookings to get a spot with your Childs teacher. These are important conversations for you all to get a picture of where your child is at the mid-point of the year. It is especially important this year with the changes to curriculum being implemented. SKIDS are available earlier than usual for your children should you require their services.

A reminder also that Monday 18th August is a teacher only day and school is closed on this day. SKIDS will be operating on this day should you require their services.

Please read the information sent out about the upcoming board elections in September. The Board's role is a valuable one and nominations for those wishing to stand for the elections close at midday on Wednesday 6th August 2025.

Keep an eye on the school calendar and your child's team newsletter for things coming up like speeches etc. It is very easy to miss these so make sure you have them written down so you don't miss out.

Kind regards

Andy Brown
